As an appointed Health & Safety Committee Representative, I have worked conscientiously to protect our members' fundamental rights as workers. I strive to deliver the most up-to-date and accurate information to the membership, providing guidance on all things health & safety, including the Canada Labour Code II.

As an elected V.P. I will continue to use the same diligence and finesse to uphold the collective agreement and help protect our members.

2015-Present: **Elected YYZ Local V.P.**

- Offers guidance and support on the collective agreement
- Represents employees in disciplinary meetings
- Continues to attend Cupe training to better assist crew members

2012-Present: **Appointed Health and Safety Committee Representative**

- Offers detailed information and guidance to members on dealing with injuries, illnesses, preventative care
- Supports crew members in dealing with WSIB/WIP processes
- Participates in hazard investigations and inspections
- Prepares and completes Schedule 1 & Schedule 10 for Transport Canada
- Certified Joint Health & Safety Committee Member

2013: **Completed Service Director training**

2011-2012: **Special Assignment as Project Coordinator, Crew Scheduling I.T.**

- Helping members navigate through the new globe Information System, and globe App

2008: **Hired as a Flight Attendant**
