

MEAGHAN MROCZEK- PORATO

VP – LOCAL 4092

PROFILE

I have spent almost 5 years in the role of Health and Safety Employee Representative and 3 years as the Committee Chair. I am asking for your support to help me broaden my union experience by electing me as a VP for Local 4092.

Throughout the pandemic, I worked tirelessly to ensure the membership continue to have, a safe working environment. During my time as employee co-chair, we were able to secure the appropriate PPE for the entire membership. I have always advocated on your behalf and would continue to do so as one of your local VPs!
