June Update- Trustees, Meeting, Brevets & PBS

Say my name, say my name...

The Company has once again requested that you select a name for your permanent brevets. As a reminder, as per the [resolution](#) arrived at with the assistance of Arbitrator Kaplan, you have 3 choices:

1. Wear your new brevet with your real first name.
2. Wear your new brevet with an alias first name, from a Company approved list.
3. Do not wear a brevet at all.

If you have received brevets with the wrong name or have any other issues with the brevet, contact your local cabin crew manager.

Trustee Positions Still Vacant!

Article B.3.12 of the CUPE Constitution requires all locals to complete an annual trustees report. Trustees play a vital role in the union. Their annual audit ensures the finances of the local are being administered properly and effectively. Their recommendations guide the union and help ensure that it is run in a fair, transparent and democratic manner. We thank the previous trustees Mark Tang, Citali Suarez-Chacon and Ivonne Alvarez-Mancia for their hard work, and their recent reports can be found on the [local website main page](#). Due to a lack of interest in these positions, our audits are several years in arrears. We hope the full field of candidates who ran for Component Trustees will spark some interest in these important local positions. Training is available and expenses and salary are paid for by the union while you are completing this important work. Being a trustee is a great way to get to know how your union works. Call the local for information on how to secure a nomination or check out the bylaws [here](#).
