Never been to a GMM before?

GMMs are open to all Local4092 members, this is your chance to see your local union in action. It is a time for local officers to report on work being done on your behalf, through committee and executive officer reports. This is **your** opportunity to bring forward any work place issues you have, ask questions, receive information and provide feedback to the union. Come participate in the union, we want you there! . Feel free to come in uniform if you are on duty or bring your kids if it is your day off.

There will be an official agenda and minutes will be taken so that your union executive can follow up on concerns raised.

The meeting will take place at Terminal 3 in the Pyramid room.
