

### **Local Membership Meeting & Local Vacancies/Elections**

The next Local membership meeting is scheduled in person on **Tuesday, February 14, at 13:00**, at the Pyramid room at T3. Click [here](#) for a map to the location. We will be bringing pizza and there is lots of room, so we invite all Local 4092 members to attend.

#### **Trustee Vacancy Filled (2022-2025 term)**

Congratulations to Grace Park who was recently elected to fill a vacant Trustees position until early 2025. Grace has held a trustee position in the past and we welcome her back to this important position.

The Local has 3 trustees and 1 alternate. Trustees' 3-year terms of office are staggered to allow some overlap and continuity of knowledge and experience in the auditing process. Training is provided for new trustees. More information about the position can be found in the bylaws (linked below).

#### **Trustee Nominations Close Soon (2023-2026 term)**

Next month, Robert Hatfield's trustee term will end on March 31st, we thank him for this important service to our local. This also means that the Local needs to elect a new Trustee for the Apr2023-Mar2026 term. There is still time to collect the 50 nomination signatures required to run for this position before the Feb15th deadline ([see Component tabulating bulletin here](#)).

We encourage all members in good standing (including those who put their names forward in this most recent election) to consider putting their name forward again. We also strongly encourage new members to consider running for this position as it's an excellent entry position within the Local and training will be provided to the successful candidate.

#### **Vice President Vacancies**

At the Feb 14 GMM, we will be accepting nominations for 2 recently vacated **Vice President positions**. These positions have been declared vacant in accordance with Local bylaw
